

### PRINCIPAL'S CORNER

#### Our dear staff and Student

Over the past week and coming ones, we will see ourselves busier than before.

Class deliveries and engagements will be solid, the marketing drives will intensify and of course the preparations for the forth coming graduation will hype.

I call upon every one of us to be part of this new revolution, do not be left out please.

We are building a rich tradition of excellence that will last longer in academics and our exceptional marketing programs. So I encourage all of us to become involved with school activities, make a commitment to learning and be a change agent to the special spirit that now exists on our beautiful camp us.
